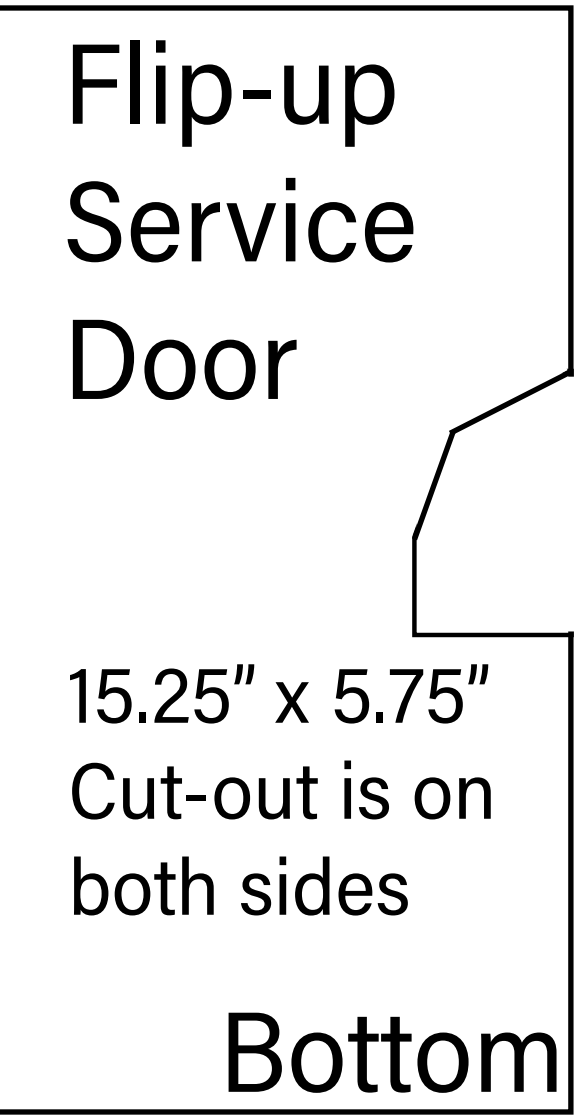
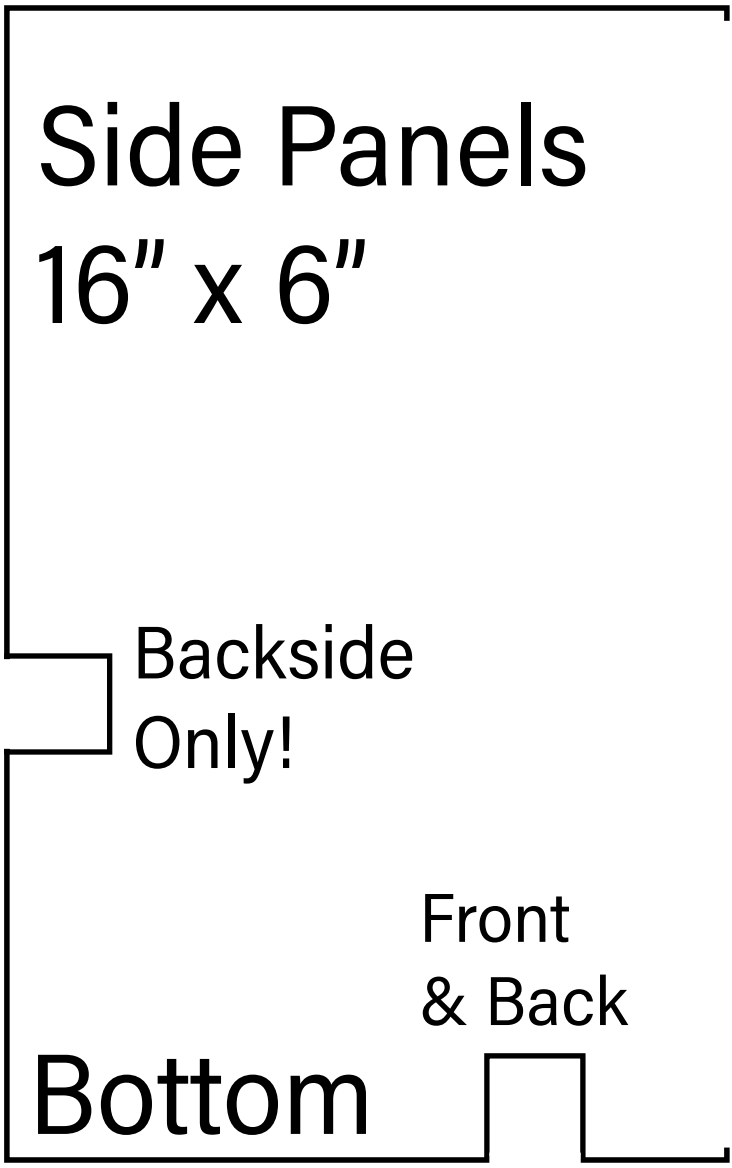
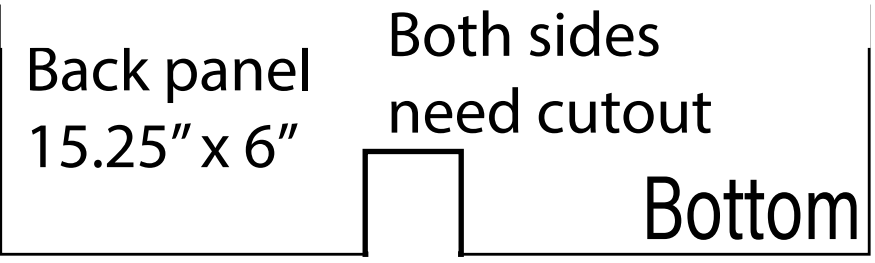
Outdoor Baby Chameleon Cage
Cut-out Templates






Instructions
1) Print page 1:1 on 8.5" x 11" paper. Do not "scale to fit"!
2) Once printed, verify side panel template is 6" tall
3) Cut-out templates and place on cut-to-size coroplast pieces
4) Trace cut-outs and remove material
5) Flip template for other side while always keeping "Bottom" at the bottom of the panel
6) For Side Panels, side cut-out is for the back side only.
